New Legal Proceedings in the UK which are required to be served on the Treasury Solicitor can be served as follows:

By email at: newproceedings@governmentlegal.gov.uk for all new legal proceedings issued in the UK except for new immigration proceedings. GLD would be grateful if, where possible, all new proceedings were served

electronically and hardcopy documents were not sent to our postal address.

New immigration proceedings and service of costs claims on the Home Office (SSHD) in immigration proceedings i.e.:

• immigration High Court judicial reviews
• immigration habeas corpus applications
• immigration family court proceedings
• appeals to the Court of Appeal challenging Immigration Upper Tribunal Appeal decisions

Should be served at: ImmigrationAdminTeam@governmentlegal.gov.uk

The reference to service of cost claims on the Home Office above is to formally served claims for costs (Notice of Commencement and Bill) against the Home Office (SSHD) pursuant to costs orders made in the above listed types of proceedings and Immigration Upper Tribunal judicial review proceedings. This does not include informal claims or negotiation of costs which should be directed to the GLD case officer. Where the GLD case officer is known to the party serving the costs proceedings the GLD case officer should also be copied in to the email.

Immigration Judicial Reviews issued in the Immigration Upper Tribunal should be served on the Home Office:

New claims which would normally only be posted or delivered by hand to the Home Office at 6 New Square, Bedfont Lakes, TW14 8HA can now be sent by email to UKVIJudicialReview@homeoffice.gov.uk. Where other instructions regarding service have been provided on decision notices or an immigration factual summary these should continue to be followed. Formal costs claims in such proceedings should be served on GLD as stated above.

The email addresses above are for the service of new proceedings only: any other correspondence addressed to it will be deleted unread. For all proceedings (including in the Supreme Court) once a GLD case officer has been allocated the case all subsequent service, save for formal costs claims in Immigration proceedings (see above), should be effected on their, or any nominated successor's, GLD email address).

Where you have served by email please do not send hard copy duplicates of any documents.

Overview
</h1>

If you’re from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you and your family might be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme to continue living in the UK. You might also be able to apply if you’re the family member of an eligible person of Northern Ireland.

The deadline for most people to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme was 30 June 2021.

If you or your family are from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you can still apply if you or a family member were living in the UK by 31 December 2020. You must also either:

meet one of the criteria for a later deadline to apply
have ‘reasonable grounds’ for not applying by 30 June 2021

You can also apply if you already have pre-settled status, and you’re applying for settled status.

You may be able to stay in the UK without applying - for example, if you’re an Irish citizen, or you already have indefinite leave to enter or remain.

If your application is successful, you’ll get either settled or pre-settled status.

<h2 id="if-youre-coming-to-the-uk-from-ukraine">If you’re coming to the UK from Ukraine</h2>

If you have a family member living in the UK, you may be eligible to apply for a Ukraine Family Scheme visa.

Both the Ukraine Family Scheme and the <abbr title="European Union">EU</abbr> Settlement Scheme will allow you to work and study in the UK.

You can choose which scheme to apply to, but if you apply both to the Ukraine Family Scheme and for an EU Settlement Scheme, it may cause a delay in getting your decision.

If you apply to the Ukraine Family Scheme, you’ll still be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, if you’re eligible, once you’re in the UK.

<h2 id="criteria-for-later-deadlines-and-reasonable-grounds-for-not-applying-by-the-deadline">Criteria for later deadlines and ‘reasonable grounds’ for not applying by the deadline</h2>

In some cases, you can still apply after 30 June 2021.

For example, if you’re joining a family member who was living in the UK by 31 December 2020, your deadline will be based on when you arrive in the UK, as long as:

you were their family member by 31 December 2020 (this does not apply to children born or adopted after this date)

the family relationship still exists when you apply

You can also apply if you can show ‘reasonable grounds’ (such as medical reasons, or being the victim of domestic abuse) for why you did not apply by 30 June 2021.

Check if you can still apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, including further examples of what counts as reasonable grounds for not applying by the deadline.

<h2 id="if-you-have-not-yet-applied-to-the-eu-settlement-scheme">If you have not yet applied to the <abbr title="European Union">EU</abbr> Settlement Scheme</h2>

Your rights in the UK are not protected if you have not applied to the <abbr title="European Union">EU</abbr> Settlement Scheme and received a certificate of application.

This means you cannot:

work or study in the UK
access benefits and services (including health services)
rent a property in England

<h3 id="how-to-temporarily-protect-your-rights-by-applying">How to temporarily protect your rights by applying</h3>

If you apply late, your rights will be temporarily protected once you have made a valid application to the <abbr title="European Union">EU</abbr> Settlement Scheme. This protection will last until you get a decision on your application or the outcome of an administrative review or appeal.

You can use your certificate of application to prove your rights in the UK.

You can view your certificate online. You will also receive a copy of your certificate in the post or by email, depending on how you applied.

<h3 id="if-youre-a-joining-family-member">If you’re a joining family member</h3>

If you are a joining family member, your rights will automatically be protected for 90 days from the date of your arrival in the UK.

After 90 days, your automatic temporary protection will end. You’ll need to prove that you’ve submitted an application to continue to access your rights in the UK.

<h2 id="if-you-already-have-pre-settled-status">If you already have pre-settled status</h2>

If you applied to the <abbr title="European Union">EU</abbr> Settlement Scheme and were given pre-settled status, you need to apply for settled status before your pre-settled status expires.

Settled status will let you stay in the UK for as long as you like. You can usually apply for citizenship once you've had settled status for 12 months.

Check what you'll need to do to apply.

<h2 id="if-youre-waiting-for-a-decision">If you're waiting for a decision</h2>

After you've applied, you'll get a certificate of application. The certificate will explain what you can use it for while you're waiting for a decision - for example, whether you can use it to prove your right to work in the UK.

Check what you'll need to do once you've got a decision on your application.

        Overview
      </h1>

      If you’re from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you and your family might be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme to continue living in the UK. You might also be able to apply if you’re the family member of an eligible person of Northern Ireland.

The deadline for most people to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme was 30 June 2021.

If you or your family are from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you can still apply if you or a family member were living in the UK by 31 December 2020. You must also either:

  meet one of the criteria for a later deadline to apply
  have ‘reasonable grounds’ for not applying by 30 June 2021

You can also apply if you already have pre-settled status, and you’re applying for settled status.

You may be able to stay in the UK without applying - for example, if you’re an Irish citizen, or you already have indefinite leave to enter or remain.

If your application is successful, you’ll get either settled or pre-settled status.

<h2 id="if-youre-coming-to-the-uk-from-ukraine">If you're coming to the UK from Ukraine</h2>

If you have a family member living in the UK, you may be eligible to apply for a Ukraine Family Scheme visa.

Both the Ukraine Family Scheme and the <abbr title="European Union">EU</abbr> Settlement Scheme will allow you to work and study in the UK.

You can choose which scheme to apply to, but if you apply both to the Ukraine Family Scheme and for an EU Settlement Scheme, it may cause a delay in getting your decision.

If you apply to the Ukraine Family Scheme, you'll still be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, if you're eligible, once you're in the UK.

<h2 id="criteria-for-later-deadlines-and-reasonable-grounds-for-not-applying-by-the-deadline">Criteria for later deadlines and 'reasonable grounds' for not applying by the deadline</h2>

In some cases, you can still apply after 30 June 2021.

For example, if you're joining a family member who was living in the UK by 31 December 2020, your deadline will be based on when you arrive in the UK, as long as:

  you were their family member by 31 December 2020 (this does not apply to children born or adopted after this date)
  the family relationship still exists when you apply

You can also apply if you can show 'reasonable grounds' (such as medical reasons, or being the victim of domestic abuse) for why you did not apply by 30 June 2021.

Check if you can still apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, including further examples of what counts as reasonable grounds for not applying by the deadline.

<h2 id="if-you-have-not-yet-applied-to-the-eu-settlement-scheme">If you have not yet applied to the <abbr title="European Union">EU</abbr> Settlement Scheme</h2>

Your rights in the UK are not protected if you have not applied to the <abbr title="European Union">EU</abbr> Settlement Scheme and received a certificate of application.

This means you cannot:

  work or study in the UK
  access benefits and services (including health services)
  rent a property in England

<h3 id="how-to-temporarily-protect-your-rights-by-applying">How to temporarily protect your rights by applying</h3>

If you apply late, your rights will be temporarily protected once you have made a valid application to the <abbr title="European Union">EU</abbr> Settlement Scheme. This protection will last until you get a decision on your application or the outcome of an administrative review or appeal.

You can use your certificate of application to prove your rights in the UK.

You can view your certificate online. You will also receive a copy of your certificate in the post or by email, depending on how you applied.

<h3 id="if-youre-a-joining-family-member">If you're a joining family member</h3>

If you are a joining family member, your rights will automatically be protected for 90 days from the date of your arrival in the UK.

After 90 days, your automatic temporary protection will end. You'll need to prove that you've submitted an application to continue to access your rights in the UK.

<h2 id="if-you-already-have-pre-settled-status">If you already have pre-settled status</h2>

If you applied to the <abbr title="European Union">EU</abbr> Settlement Scheme and were given pre-settled status, you need to apply for settled status before your pre-settled status expires.

Settled status will let you stay in the UK for as long as you like. You can usually apply for citizenship once you've had settled status for 12 months.

Check what you'll need to do to apply.

<h2 id="if-youre-waiting-for-a-decision">If you're waiting for a decision</h2>

After you’ve applied, you’ll get a certificate of application. The certificate will explain what you can use it for while you’re waiting for a decision - for example, whether you can use it to prove your right to work in the UK.

Check what you’ll need to do once you’ve got a decision on your application.

It’s free to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme.

You must apply before your pre-settled status expires. \n \n\n<h2 id=\"who-has-a-later-deadline-to-apply\">Who has a later deadline to apply</h2>\n\n For some people, the deadline of 30 June 2021 does not apply. This is true if you're one of the following: \n\n
\n the family member of someone from the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein who was living here by 31 December 2020, and you join them in the UK on or after 1 April 2021
\n applying for your child, who was born or adopted in the UK on or after 1 April 2021
\n the family member of an eligible person of Northern Ireland, but they could not move back to the UK by 31 December 2020 without you - you must be from outside the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein
\n exempt from immigration control, or you stopped being exempt from immigration control after 30 June 2021
\n here with limited leave to enter or remain in the UK (for example, if you're here on a work or study visa) which expires after 30 June 2021
\n a family member of a British citizen who you lived with in the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein - you must have lived with them in that country by 30 December 2020, and returned to the UK with them
\n
\n\n<h3 id=\"when-you-need-to-apply\">When you need to apply</h3>\n\n If you're applying as a family member to join someone in the UK, you have 90 days to apply from when you arrive in the UK. This only applies if you join them in the UK on or after 1 April 2021. If you joined them before that date, your deadline to apply was 30 June 2021. \n\n If you're applying for your child who was born or adopted in the UK on or after 1 April 2021, you have 90 days from when they were born or adopted. was 30 June 2021. \n\n If you're the family member of an eligible person of Northern Ireland, and they could not move back to the UK without you by 31 December 2020, you have 90 days to apply from when you arrive in the UK. \n\n If you're exempt from immigration control, you do not have to apply to the scheme. If you choose to do so, you can apply at any time. If you stop being exempt, you will have 90 days to apply. \n\n If you have limited leave to enter or remain in the UK which expires after 30 June 2021, you must apply before your leave expires. \n\n If you're applying as a family member of a British citizen who you lived with in the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you must apply by 29 March 2022. \n\n<h2 id=\"if-you-did-not-apply-by-the-deadline\">If you did not apply by the deadline</h2>\n\n You can still apply if you're eligible for the scheme and can show 'reasonable grounds' for why you did not apply by the deadline that applies to you. \n\n<h3 id=\"who-is-eligible-for-the-eu-settlement-scheme\">Who is eligible for the <abbr title=\"European Union\">EU</abbr> Settlement Scheme</h3>\n\n You must meet one of the eligibility criteria for the scheme, which for most people is either: \n\n
\n you're from the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein and you started living in the UK by 31 December 2020
\n you're the family member of someone from the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein who started living in the UK by 31 December 2020
\n
\n\n You may also be eligible if: \n\n
\n you used to have a family member from the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein who started living in the UK by 31 December 2020 (but you've separated, they've died or the family relationship has broken down)
\n you're the family member of a British citizen who you lived with in the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein - you must have lived with them in that country by 31 December 2020 and returned to the UK with them before you apply

\n you're the family member of a person who is exempt from immigration control
\n you're the family member of a 'frontier worker'\n
\n
\n\n You and your child can also apply if by 31 December 2020 you were the primary carer of a: \n\n
\n British citizen (and you did not have another type of permission to stay in the UK)
\n child of someone from the <abbr title=\"European Union\">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein who used to live and work in the UK - the child must be in education in the UK

\n
\n\n<h3 id=\"reasonable-grounds-for-why-you-did-not-apply-by-the-deadline\">'Reasonable grounds' for why you did not apply by the

deadline</h3>\n\n If you did not apply by 30 June 2021, or by the deadline for your circumstances if it’s later, you may still be able to apply to the scheme. You will need to have ‘reasonable grounds’ for why you did not apply by the deadline. \n\n There are many different reasons that can be included as reasonable grounds for not applying by the deadline. \n\n There is not a complete list - if you have a reason not listed here, you can still apply and your reason will be considered. \n\n Some reasonable grounds are, for example, if: \n\n
\n you’re a child, or applying for your child, and you did not know you needed to apply
\n your parent, guardian or local authority did not apply for you when you were a child
\n you have, or had, a medical condition which prevented you from applying
\n you lacked the physical or mental capacity to apply
\n you have care or support needs, or those caring for you were unaware of the deadline
\n you’ve been the victim of modern slavery
\n you’ve been in an abusive or controlling relationship
\n you did not have internet access, or access to relevant documents
\n you came to the UK on a work or study visa and became eligible to apply to the <abbr title=\"European Union\">EU</abbr> Settlement Scheme while you were here, but did not know you could apply
\n you already have indefinite leave to enter or remain, and you did not know you could apply to the scheme
\n you had permanent residence status or a residence document that stopped being valid after 30 June 2021, and you did not know you needed to apply to the scheme
\n you had difficulty accessing support to apply because of coronavirus (COVID-19) restrictions
\n another compelling practical or compassionate reason prevented you applying
\n
\n\n When you apply, you need to provide evidence to support the reason or reasons you give for missing the deadline. \n\n<div role=\"note\" aria-label=\"Information\" class=\"application-notice info-notice\">\n If you’re the primary carer of a British citizen and you apply by 25 July 2022, you do not have to provide evidence of why you missed the 30 June 2021 deadline. \n \n\n<h2 id=\"if-youre-exempt-from-immigration-control-or-stop-being-exempt\">If you’re exempt from immigration control, or stop being exempt</h2>\n\n You do not need to do anything to continue living in the UK while you’re exempt from immigration control. \n\n You’ll have been told if you’re exempt from immigration control, for example because you’re: \n\n

\n a member of NATO

Overview
</h1>

If you’re from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you and your family might be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme to continue living in the UK. You might also be able to apply if you’re the family member of an eligible person of Northern Ireland.

The deadline for most people to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme was 30 June 2021.

If you or your family are from the <abbr title="European Union">EU</abbr>, Switzerland, Norway, Iceland or Liechtenstein, you can still apply if you or a family member were living in the UK by 31 December 2020. You must also either:

  meet one of the criteria for a later deadline to apply
  have ‘reasonable grounds’ for not applying by 30 June 2021

You can also apply if you already have pre-settled status, and you’re applying for settled status.

You may be able to stay in the UK without applying - for example, if you’re an Irish citizen, or you already have indefinite leave to enter or remain.

If your application is successful, you’ll get either settled or pre-settled status.

<h2 id="if-youre-coming-to-the-uk-from-ukraine">If you’re coming to the UK from Ukraine</h2>

If you have a family member living in the UK, you may be eligible to apply for a Ukraine Family Scheme visa.

Both the Ukraine Family Scheme and the <abbr title="European Union">EU</abbr> Settlement Scheme will allow you to work and study in the UK.

You can choose which scheme to apply to, but if you apply both to the Ukraine Family Scheme and for an EU Settlement Scheme, it may cause a delay in getting your decision.

If you apply to the Ukraine Family Scheme, you'll still be able to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, if you're eligible, once you're in the UK.

<h2 id="criteria-for-later-deadlines-and-reasonable-grounds-for-not-applying-by-the-deadline">Criteria for later deadlines and 'reasonable grounds' for not applying by the deadline</h2>

In some cases, you can still apply after 30 June 2021.

For example, if you're joining a family member who was living in the UK by 31 December 2020, your deadline will be based on when you arrive in the UK, as long as:

  you were their family member by 31 December 2020 (this does not apply to children born or adopted after this date)
  the family relationship still exists when you apply

You can also apply if you can show 'reasonable grounds' (such as medical reasons, or being the victim of domestic abuse) for why you did not apply by 30 June 2021.

Check if you can still apply to the <abbr title="European Union">EU</abbr> Settlement Scheme, including further examples of what counts as reasonable grounds for not applying by the deadline.

You can use your certificate of application to prove your rights in the UK.

You can view your certificate online. You will also receive a copy of your certificate in the post or by email, depending on how you applied.

<h3 id="if-youre-a-joining-family-member">If you're a joining family member</h3>

If you are a joining family member, your rights will automatically be protected for 90 days from the date of your arrival in the UK.

After 90 days, your automatic temporary protection will end. You'll need to prove that you've submitted an application to continue to access your rights in the UK.

<h2 id="if-you-already-have-pre-settled-status">If you already have pre-settled status</h2>

If you applied to the <abbr title="European Union">EU</abbr> Settlement Scheme and were given pre-settled status, you need to apply for settled status before your pre-settled status expires.

Settled status will let you stay in the UK for as long as you like. You can usually apply for citizenship once you've had settled status for 12 months.

Check what you'll need to do to apply.

<h2 id="if-youre-waiting-for-a-decision">If you're waiting for a decision</h2>

After you've applied, you'll get a certificate of application. The certificate will explain what you can use it for while you're waiting for a decision - for example, whether you can use it to prove your right to work in the UK.

Check what you'll need to do once you've got a decision on your application.

<h2 id="fees">Fees</h2>

It's free to apply to the <abbr title="European Union">EU</abbr> Settlement Scheme.

You will need to have ‘reasonable grounds’ for why you did not apply by the deadline. \n\n There are many different reasons that can be included as reasonable grounds for not applying by the deadline. \n\n There is not a complete list - if you have a reason not listed here, you can still apply and your reason will be considered. \n\n Some reasonable grounds are, for example, if: \n\n
\n you’re a child, or applying for your child, and you did not know you needed to apply
\n your parent, guardian or local authority did not apply for you when you were a child
\n you have, or had, a medical condition which prevented you from applying

\n you came to the UK on a work or study visa and became eligible to apply to the <abbr title=\"European Union\">EU</abbr> Settlement Scheme while you were here, but did not know you could apply
\n you already have indefinite leave to enter or remain, and you did not know you could apply to the scheme

permanent residence status or a residence document that stopped being valid after 30 June 2021, and you did not know you needed to apply to the scheme
\n you had difficulty accessing support to apply because of coronavirus (COVID-19) restrictions
\n another compelling practical or compassionate reason prevented you applying
\n
\n\n When you apply, you need to provide evidence to support the reason or reasons you give for missing the deadline. \n\n<div role=\"note\" aria-label=\"Information\" class=\"application-notice info-notice\">\n If you're the primary carer of a British citizen and you apply by 25 July 2022, you do not have to provide evidence of why you missed the 30 June 2021 deadline. \n \n\n<h2 id=\"if-youre-exempt-from-immigration-control-or-stop-being-exempt\">If you're exempt from immigration control, or stop being exempt</h2>\n\n You do not need to do anything to continue living in the UK while you're exempt from immigration control. \n\n You'll have been told if you're exempt from immigration control, for example because you're: \n\n

<h2 id="go-online">Go online</h2>

Our online services are the quickest, easiest, and often cheapest way to deal with us. We recommend that you use our online services where possible. If you apply online, you should receive your driving licence or vehicle registration certificate (V5C) within 5 days.

Here are some of our most popular online services:

Apply for a driving licence
Renew a driving licence
Replace a driving licence
Tell us you’ve sold a vehicle
Change your address
Tax a vehicle
Keep or assign a private (personalised) registration online
Apply for a duplicate V5C log book
Apply for a driver digital tachograph card

Remember, if you are renewing your photocard driving licence, and you are unable to use our online services, you can do this quickly and easily at participating Post Office branches. It is quicker than posting your application to us so check if you are eligible to use this service. By using this service, you can expect your driving licence to be issued within 5 days.

<h2 id="paper-applications">Paper applications</h2>

All our services are operating within normal turnaround times as paper applications are being processed within 3 to 4 weeks.

Please allow 4 weeks for your new documents to be sent to you if applying by post. Please do not call us within those 4 weeks as your application will be processing and we will not be able to provide further information.

<h2 id="medical-driving-licence-applications-paper-applications">Medical driving licence applications (paper applications)</h2>

If you have applied for your first driving licence, or to renew or replace your current driving licence and you have declared a medical condition, this will take longer. Please do not contact DVLA for an update as we will be in touch as soon as a licensing decision has been made or if we need more information from you or your medical professional.

<h3 id="why-are-these-taking-longer">Why are these taking longer?</h3>

This is because we:

  need further information from your GP or medical professional to help us make a licensing decision. The Department of Health and Social Care asked us to pause referring cases in December 2021 and January 2022 to allow the NHS to focus on the vaccine booster programme. Referrals to doctors have resumed but please do not contact DVLA for an update as we will be in touch as soon as we have the information from your GP or medical professional to allow us to make a licensing decision or to request further information.

and

  are still seeing the impact of the 58 days of industrial action that the PCS union took during 2021, which included the month-long targeting of the drivers’ medical department which led to significant backlogs of paper applications in that area.

We are working hard to process your medical related application as quickly as we can, and we aim to be back to normal processing times by September 2022.

<h2 id="driving-while-an-application-is-with-dvla">Driving while an application is with DVLA</h2>

Please remember that by law, you must make sure that you always meet the medical standards for fitness to drive when driving. Find more information about driving with a medical condition.

If your application (including if you have declared a medical condition) has been sent to DVLA you may be able to continue to drive while we are processing your application, subject to meeting certain criteria. This applies to most types of applications so check the criteria to see if you may be able to continue driving by reading the guidance leaflet ‘Can I drive while my application is with DVLA?’.

<h2 id="identity-documents">Identity documents</h2>

If you need to include proof of identity with your application, make sure you only send in what is required and that you check requirements on GOV.UK before you post your application.

There is no need to send us a UK passport if you’ve provided us with a passport number on your application form.

If you need to post original ID documents such as passports or Biometric Residency Permits to us, we recommend that you consider using registered post.
